

Topology, Arithmetic, & Dynamics Seminar

Homotopy of Character Varieties

Sean Lawton

Department of Mathematical Sciences
George Mason University

We will discuss recent results concerning the homotopy groups of free group character varieties.

Date: **Wednesday, November 12, 2014**

Time: 4:00 pm

Place: Fishbowl (4th floor of Exploratory Hall)

For now, the seminar is BYOC. For special accommodations, please contact Sean Lawton via email at slawton3@gmu.edu.
